Dear new student,

Here are a few tips to start the new school year in a brilliant way!

1	Keep your <b>Scuola Media Course Book</b> : It is a good exercise to revise English before lessons begin.
2	Group the words (adjectives, verbs, nouns) you studied under the following headings: <ul style="list-style-type: none"><li>➤ house</li><li>➤ food</li><li>➤ clothes</li><li>➤ school</li><li>➤ free time-hobbies</li></ul>
3	a) Choose a photo of your favourite actor/actress, or singer, or sportsman and describe him/her in a detailed way (physical aspect, clothes, personality etc.)
4	Take a photo of your holidays (landscape and some people in the photograph): <ul style="list-style-type: none"><li>a) describe your holidays (who, what, when, where, the weather, positive and negative aspects)</li><li>b) describe what people are doing in that photograph</li></ul>
5	Write : <ul style="list-style-type: none"><li>➤ two actions you are planning to do</li><li>➤ two actions you are not going to do</li><li>➤ two actions you will do</li></ul> to get good marks and to be successful in your new Secondary school !

**Have a nice summer !**
